

The Chain of Kindness

Let's build a class kindness chain together!

Write down a kind act you did and add it to your class chain. Watch how your chain grow as your class spreads kindness!

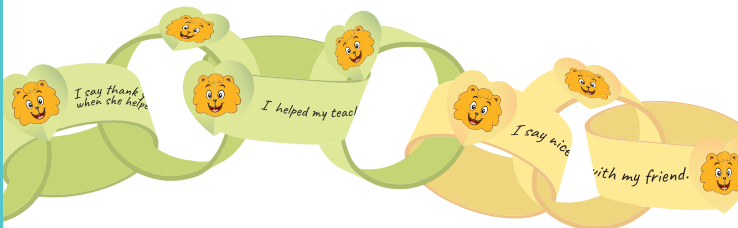

Instructions

- 1 Think of one kind act you did this week. Write it on the strip.

- 2 Link it to your class kindness chain.

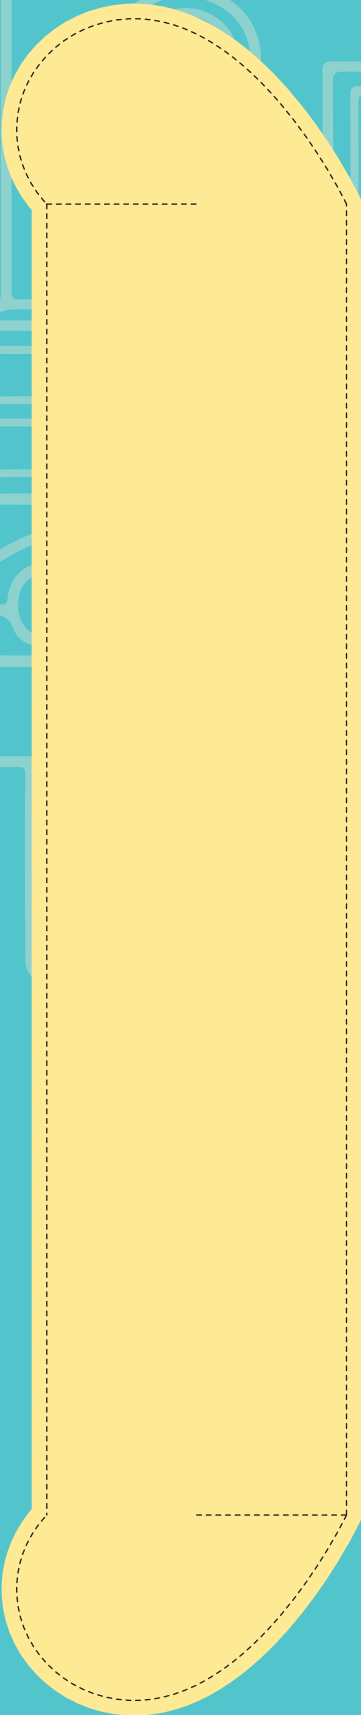

- 3 Hang it up to show how many kind acts your class has done!

Join the two slits by sliding one into the other.

One kind thing I did at school this week was...

A cartoon lion character is peeking from the top and bottom of the chain. The chain is a long, vertical yellow strip with a dashed line indicating where to fold it. The lion's face is visible at the top and bottom ends.

Share with us!

Teachers and students, we'd love to see your classroom kindness chain! Take a photo and share it with us at primary@kindness.sg. If your whole school joins in, Singa would be very pleased and might even visit your school to see your kindness chains!
